Secrétaire Général de la FEHRL

FEHRL – l'association des Centres Nationaux Européens de Recherche Routière

Dr Thierry Goger is a senior executive in Transport Research and European Affairs. As FEHRL Secretary-General, the association of the European National Road Research Centres, Thierry is a strategist and an engaged facilitator of cooperative research and innovation, in the field of road and transport infrastructure. Thierry has also a solid experience in policy-briefing and research grant management, as well as in fostering the exploitation and implementation of research results. Prior to joining FEHRL, Thierry was the Science Officer for the Transport and Urban Development Domain at the COST Office – European Cooperation in Science and Technology. His expertise and advocacy are regularly solicited by the industry, policy-makers and transport authorities.

#### PARCOURS PROFESSIONNEL

Principaux éléments de votre parcours à mettre en évidence par le président de session lors de son introduction

On the research front, Thierry has about 20 years of experience and is a Coordinator or Partner of several European projects, including the very innovative ERA-Net scheme “INFRAVATION”, where FEHRL has been a key enabling agent for transatlantic collaboration and funding.
